ROBBIE EDWARDS/REGISTER-NEWS

Area residents gathered Saturday at Mt. Vernon Outland Airport to conduct a memorial balloon release for balloon pilot Dan T. Kirk who lost his life during an accident while flying his balloon "Starship." Those attending released blue, yellow, white and orange balloons representing the colors of Starship in a balloon release ceremony held worldwide in his memory. Photos of the release will be made into a scrapbook for the pilot's wife, Jan Kirk. From left are Ken Sisk, Kara Sisk, Hunter McElroy, Jennifer Witzel, Chris Collins and Kevin Witzel.
