

On the move

TESA GLASS/REGISTER-NEWS

Illinois Air National Guard C-130 troop carriers were busy loading Illinois Army National Guard members during maneuvers at the Mt. Vernon Outland Airport on Friday. The maneuvers are for troops located from Litchfield and south, according to Chris Collins, manager of Mt. Vernon

Outland Airport. Although security was tight at the facility, residents were allowed to watch the large planes landing, loading and take off from the parking lot and the fenced area of Wilkey's Restaurant.
