Airport visitors

Mt. Vernon Outland Airport had big visitor on Monday, as an Embraer Lineage 1000 came down the runway. The Lineage 1000 is a variant of the Embraer 190, a regional to middle route airliner. In airline use, the aircraft seats 114 passengers, has a maximum takeoff weight of 115,000 lbs, and a service ceiling of 41,000 feet. Jet Blue is a major user of the Embraer 190. The Lineage 1000 has a range of 4,200 nautical miles. The Lineage 1000 visiting KMVN carried several passengers to unknown area business. The aircraft took off later in the day.
