

FLYING HIGH

Sentinel Photos/JOSH JONES

ABOVE, Pilots Keith Phillips and David Baldwin fly their SX300 aircraft in preparation for the Experimental Aircraft Association's AirVenture Cup Race on Sunday at Mt. Vernon Outland Airport in Mt. Vernon. The planes were going about 200 mph and were 1,000 feet in the air. **ATL EFT,** Pilots Keith Phillips and David Baldwin fly SX300 aircraft on Friday in preparation for the Experimental Aircraft Association's AirVenture Cup Race on Sunday at Mt. Vernon Outland Airport in Mt. Vernon.
