Balloon crews took a flight Thursday afternoon in preparation for Balloons Over Mt. Vernon for the Fall Fest. A balloon glow will be held from 4 to 7 p.m. tonight at the Mt. Vernon Outland Airport, and tethered rides will be offered from 4 to 9 p.m., and a children's costume parade will be held. Crafters will also be on hand for the public to enjoy. Proceeds from Balloons Over Mt. Vernon benefit the United Way of South Central Illinois. On Saturday, a balloon launch will be held from 7 to 9 a.m. at the airport, and a balloon flight will be flown across town as the Fall Fest Parade is ending. 10-17-14
