Chairman Ancona asked if there was anyone in attendance from the general public wishing to provide comments regarding the sale of General Obligation Bonds for the purpose of airport improvements.

Don Lewis provided the following comments: *“I just want to confirm that the bonds would be sold locally.”* “Yes”, stated Chairman Ancona. *“I’m here at the airport a lot. There’s a lot of stuff that needs to be done and I think these bonds would be a good start to get all of this taken care of where we can make the airport an even better place than it is.”*

Chairman Ancona asked if any Commissioners wished to provide comments regarding the sale of General Obligation Bonds for the purpose of airport improvements. Hearing none, Chairman Ancona asked to adjourn the Public Hearing.

Motion was made by Commissioner Chesney and seconded by Commissioner Pierce to adjourn the Public Hearing. Upon roll call vote, all were in favor and the meeting was adjourned.
