

## LIGHT SPORT AVIATION ENTHUSIASTS

PLANE & PILOT MIDWEST LSA EXPO, MT. VERNON OUTLAND AIRPORT  
SEPTEMBER 9-11, 2011

If you own or fly a light sport aircraft (LSA), or are just interested in knowing more about these exciting new aircraft, then set aside the time in September to visit the Third Annual *Plane & Pilot* Midwest LSA EXPO.

*Plane & Pilot* magazine has joined with Midwest LSA EXPO

as their promotional partner in order to lend support to this event and to the Light Sport Aircraft Industry. According to *Plane & Pilot* "The event is more than just Light Sport Aircraft; it's a Life Style Adjustment™, meaning that attending the Expo offers a glimpse into what the sport aviation lifestyle is all about – using a light aircraft to explore a fun new destination, camping, enjoying camaraderie of fellow aviators and more."

The *Plane & Pilot* Midwest LSA EXPO features an assortment of exhibits and activities. A large majority of LSA manufacturers will be exhibiting, and many will offer opportunities to take a demo ride in one of their aircraft. Aircraft manufacturer exhibits will all be located on the main ramp to allow easy ingress and egress for demo flights. In addition to aircraft manufacturers, there will be both indoor and outdoor vendor areas for providers of LSA related products and services. Vendor exhibits will be open Friday, Saturday and Sunday. There will be opportunities to talk to a wide variety of manufacturers and other vendors as well as forums on assorted light sport aviation topics. Forums will be held daily at 11:00am, 1:00pm and 2:00pm in two climate controlled rooms. Speaker schedules will be available on the program web-site at [www.midwestlsashow.com](http://www.midwestlsashow.com).

### Hours of Operation:

10:00am - 5:00pm on Friday, September 9, 2011

9:00am - 5:00pm on Saturday, September 10, 2011

9:00am - 3:00pm on Sunday, September 11, 2011.

**Entrance Fees:** \$8 per day for adults, children under 16 are FREE, but must be accompanied by a paying adult.

**Automotive and Aircraft Parking Fees:** FREE!

### Shuttle/Transportation Services:

Shuttle service between the airport and local hotels is available during the EXPO hours. Shuttles will run every half hour at peak times and every hour in mid-afternoon. For those flying in, a special shuttle has been arranged to operate between the transient/long-term aircraft parking area and the main ramp. The transient aircraft parking area shuttle will operate continuously all three days of the event. Both shuttles are free!

**Camping:** Camping "under the wing" is allowed, but space is limited. Mt. Vernon Outland Airport has a nice camping area near its lakeshore shelters. On-site campers are encouraged to place their tents at the lakeshore camping area. Showers are limited, but available and located inside the FBO building, which is a short walk from the camping area. There is no tie-down fee or charge for camping at the airport.

**Hotels:** Mt. Vernon, Illinois boasts over 1200 hotel rooms to fit any budget. Information on hotels and rates can be found on the Midwest LSA EXPO website at [www.midwestlsaexpo.com](http://www.midwestlsaexpo.com).

**Food:** Food will be available at the airport during this event, both at the airport restaurant and at vendor food booths. The airport restaurant, Grandma's Landing, is located in Mt. Vernon Airport's Koziara Terminal Building.

Additional manufacturers and LSA related vendors are welcome. Prospective vendors can obtain more information by contacting Mt. Vernon Outland Airport manager Chris Collins at (618) 242-7016 or by downloading an application at the show website: [www.midwestlsashow.com](http://www.midwestlsashow.com).
