

SRT Aviation Inc. Aircraft leasing Rules

Insurance and Checkout Minimums for Solo Aircraft or Training Rental

- Notice: All renter pilots are recommended to have on file an aircraft renter's insurance policy

Minimum Renter Insurance Policy Recommended:

- \$250,000 Liability and \$ 5000 hull damage

All new renter pilots require a SRT Aviation, Inc. authorizer instructor checkout, regardless of flight experience of renter pilot.

All pilots must maintain current pilot and medical certificates on file and must show ID

Motion means aircraft moving under its own power- Renters are responsible for all damages

Pilots are responsible for deductibles for all damage caused when they are PIC of record

Pilots recommended to present Non-owned Rental Insurance Policy for all solo flights

Note: All pilots must have flown within the preceding 90 days in order to solo aircraft without Instructor Pilot Authorization! All pilots must have non-owned renter insurance policy coverage in effect for solo operations

Duel Instruction \$35 per hour. All instruction paid at SRT Aviation Counter or deducted from customers account. For your safety and protection all flight instructors must be registered and standardized with SRT Aviation and "freelance" instruction is not allowed

Fuel Reimbursement: \$.50 per gallon less than SRT Aviation counter price max, for fuel purchased away from SRT Aviation. Oil is fully reimbursed

Flight Rental Minimums (per 24 hours) 3 hours per day-A flight lasting through a full weekend or weekday will be charged at least 3hours of rental

Refunds, (for pre-paid student training package dropouts) will be adjusted to actual block time used and will be rebated at 85% unused time pro-rated on that block time rate. (i.e. 10 hour, 25 hour etc.)

Canceled flights: Scheduled Aircraft must be cancelled 24 hours Minimum prior to scheduled flight (excluding bad weather) or renter will be charged for scheduled time.

Fuel Surcharge: Will be charged for amount above SRT Aviation counter price of \$4.00 per gallon. SRT Aviation will do everything possible to provide fuel at the lowest rate.

Proof of US Citizenship (Birth Certificate or Passport only) Drivers license not valid for this requirement
