**Phillip Pennell, RIGHT, vice president of Future Pilots Fund, shows two visitors a 1962 Piper Cherokee 160 that was on display Friday during the 15th annual Midwest LSA Expo at Mount Vernon Outland Airport. The three-day expo runs from 9 a.m. to 4 p.m. Sept. 7 through Sept. 9. It allows buyers and sellers in the light sport aircraft industry to meet face-to-face and discuss and demonstrate products. The Piper Cherokee is a raffle airplane and proceeds from the sale of raffle tickets will help fund scholarships.**
